

AFTER THE PANDEMIC virtual conference series

The Covid-19 Pandemic has been a singular event that affected health, economic situation and social cohesion around the world. The conference series will be devoted to analyzing various aspects of the pandemic and their long-term consequences.

CALL FOR PAPERS

The International Centre for Economic Analysis invites papers to be considered for virtual conferences in the After the Pandemic conference series.

Each conference will have a different theme, as indicated by the conference title. Each conference will include the keynote talk listed above as well as invited and contributed papers. The conferences are planned as interdisciplinary and, along with economics, we invite papers in all fields, including psychology, sociology, political science, management and medical fields.

The conferences are open to both presenters and non-presenters. and there are no fees, but **registration is required**.

There will be six conferences in the Fall 2021, and several in Winter 2022. The list of these conferences and their dates is below.

Conference title	Keynote speaker	Conference dates
Fall 2021		
Happiness and Age	David Blanchflower (Dartmouth)	October 29-30
Inequality	Wojciech Kopczuk (Columbia)	November 5-6
Public Policy Lessons	Judith A. Chevalier (Yale)	November 12-13
Working from Home	Nicholas Bloom (Stanford)	November 17-18
Public Health	Alan Whiteside (Wilfrid Laurier University and Balsillie School of International Affairs)	December 3-4
Gender Inequality	Stefania Albanesi (Pittsburgh)	December 10-11
Winter 2022		
Inflation	Yuriy Gorodnichenko (Berkeley)	January 29-30
Taxation	Stefanie Stantcheva (Harvard)	February 5-6
Future of Work	David Autor (MIT)	TBA
The Resilient Society	Markus Brunnermeier (Princeton)	TBA

PAPER SUBMISSION (Fall conferences)

Authors should submit an extended abstract of up to 300 words. For papers in economics and finance, please include JEL classification codes for the paper as well as keywords. Complete papers may be submitted but the extended abstract is required. In case of more than one author, the name of presenter should be underlined.

Proposals for sessions consisting of three or four papers are particularly welcome. If you are interested in submitting a session, please send the the session topic, author names, titles and abstracts, as well as the name of the conference, to secretary@ICEAnet.org.

When submitting a paper, please make sure you select the correct conference and observe the deadline.

Conference title	Submission deadline	Acceptance decisions
Happiness and Age Conference paper submission	October 8	October 15
Inequality Conference paper submission	October 15	October 22
Public Policy Lessons Conference paper submission	October 22	October 29
Working from Home Conference paper submission	October 27	November 3
Public Health Conference paper submission	November 12	November 19
Gender Inequality Conference paper submission	November 19	November 26

Additional information, calls for papers for individual conferences and submission and registration links is available on our website, <https://ICEAnet.org>

Her current research concentrates on understanding the determinants of household borrowing and default behavior, and on quantifying the impact of changing trends in female participation on aggregate business cycles.

ABOUT THE ORGANIZERS

The International Centre for Economic Analysis (ICEA) is a non-profit, non-partisan organization dedicated to the advancement of research in economics and other social sciences. It is an international centre with chapters in Canada, at Wilfrid Laurier University in Waterloo, Ontario; in Poland, at the University of Warsaw and in Italy, at the University of Siena. The centre was called the Research Centre for Economic Analysis until September 2021.

ICEA envisions to become a network of academics and policymakers who collaborate to apply cutting-edge theoretical and empirical research relevant to economic policy. The centre welcomes diverse views

on how to realize this goal. ICEA sponsors high quality research linkages in both interdisciplinary and international dimensions. We encourage long-term affiliation with the centre, and we especially encourage participation of graduate students and new PhDs.

To achieve these goals, ICEA organizes conferences, webinars and seminars at which leading economists, policymakers, industry practitioners, students, and other scholars can exchange and develop new insights and ideas. We are committed to the unrestricted exchange of research results and ideas, and our work is freely available online. Through outreach activities, we disseminate the results of our members' research to the decision makers and the general public.

ICEA is directed by the Board. Members of the Board have extensive experience with organizing conferences. Past speakers at these conferences included, among others, Philippe Aghion, Larry Ball, Steve Cecchetti, Steven Davis, Janice Eberly, Emmanuel Farhi, Jordi Gali, John Haltiwanger, Elhanan Helpman, Peter Howitt, Charles Jones, Larry Karp, Josh Lerner, Enrique Mendoza, Emi Nakamura, James Robinson, Barbara Rossi, Rick van der Ploeg, John Van Reenen and Joseph Zeira.

PUBLICATION OPPORTUNITY

Review of Economic Analysis (REA), the official journal of ICEA, is planning to publish special issues from the conferences. The journal is open access, ABDC-ranked, peer-reviewed quarterly publication. ICEA aims to promote its further development as a top open access, general interest journal in the profession. REA is in its 13th year and is supported by the Social Sciences and Humanities Research Council of Canada (SSHRC). The papers submitted to the special issue will go through the usual refereeing process. REA charges no submission or publication fees.

FURTHER INFORMATION

The Call for Papers provides further information about paper submissions, as well as keynote speaker bios and all dates.
