We invite you to submit a paper to our conference **“Widening Horizons of Macroeconomic Research”** which will take place on **November 14-15** at the **University of Warsaw**. If you would like to present, please send your paper to pwc@eui.eu by **September 30**. We will notify authors of accepted submissions by October 15.

We welcome theoretical, quantitative, and empirical submissions in all areas of macroeconomics. In particular, we encourage submissions from scholars and advanced Ph.D. researchers from the [Widening Countries](#).

We are happy to announce that the program will feature contributions by **Árpád Ábrahám, Yu-Ting Chiang, Harris Dellas, Marek Kapička, Bartosz Maćkowiak, and Pedro Teles**.

There is limited funding available for travel expenditures of participants from academia. The conference organizers will cover lunches and conference dinners for all invited participants.
